The Jesuit Order As a Synagogue of Jews

2010 in the jesuit order as a synagogue of jews the author explains how christians with jewish family
backgrounds went within less than forty years from having a leading role in the foundation of the society of Jesus to being prohibited from membership in it. The author works at the intersection of two important historical topics, each of which attracts considerable scholarly attention but that have never received sustained and careful attention together. Namely, the early modern histories of the Jesuit order and of Iberian purity of blood concerns. An analysis of the pro and anti converso texts in this book both in terms of what they are claiming and what their limits are. Advance our understanding of early modern institutional Catholicism at the intersection of early modern religious reform and the new racism developing in Spain and spreading outward.

*New English and Italian Pronouncing and Explanatory Dictionary...* 1897 reprint of the original first published in 1864

A polyglot of foreign proverbs comprising French, German, Dutch, Spanish, Portuguese, and Danish with English translations by Henry G. Bohn is a fascinating collection of proverbs from various European languages providing readers with insights into the wisdom and cultural nuances of different nations. Bohn's book offers a rich tapestry of proverbs and their English translations, making it an educational and entertaining read for those interested in language culture and the universal wisdom found in proverbs from around the world.
Gerusalemme Liberata 1896 this volume presents over ninety papers in English, French, German and Italian from the congress held at Copenhagen in 1992.

The Letters and Memorials 1882 these volumes of the documentary history of the Jews in Italy illustrate the history of the Jews in Genoa and surroundings from antiquity to the French Revolution. The earliest documentary evidence takes the form of letters from King Theodoric for the Middle Ages. The documentation is relatively fragmentary and sporadic; later there is greater abundance of historical evidence which portrays chiefly the destinies of the Jews in the Republic from the sixteenth century on when the presence of the Jews became permanent and a regular community was established also in the capital. The historical records presented illustrate mainly the relationship between the Government of the Genoese Republic and the Jews. The latter's economic activities and their communal and social life some of the detailed descriptions of the Jewish population in Genoa their living conditions and occupations allow for a close examination of the social conditions of this Northern Italian community for a while Genoa became a haven of refuge for some of the exiles from Spain including the historian Joseph Hacohen and members of the Abarbanel family. The volumes are provided with an extensive introduction, bibliography, glossary and indexes.
