The Return of the Living Dead film series has become one of the most successful zombie movie franchises of all time, gaining cult status across the world and inspiring movies such as 28 Days Later, Shaun of the Dead, and Zombieland. For the first time in 25 years, the cast and crew of all five films in this franchise reveal the stories behind the movies, offering their own opinions and details about life on the sets of some of the most fraught productions in cinema history. Supported by dozens of cast and crew members, the complete history of The Return of the Living Dead features hundreds of previously unreleased behind-the-scenes photographs and exclusive artwork. This eye-catching comprehensive book is the ultimate celebration of the Return of the Living Dead franchise and all those who contributed to its creation.

An autopsy seems routine until the corpse sits up and begins to walk. After all of his organs have been removed, suddenly the rules of this world have been rewritten and the dead now walk the earth in Atlanta. A reporter covers the epidemic, showing viewers glimpses of increasing chaos from across the globe. Nowhere it seems is safe. The Captain of an aircraft carrier hopes to save his crew from the disease by remaining at sea, but seemingly within moments, zombies are wreaking havoc on the ship. The Living Dead follows different groups of people as they react to the crisis, working together or for some using their limited knowledge of zombies to try to survive. But is survival even possible or desirable? The Walking Dead, as an idea and an image, sends a shudder through our collective psyche. Just why did we invent these chilling creatures and what fears do they uncover? The Living Dead is explored here through graphic novel format, also supported by color and black and white photographs. Students will enjoy walking in the steps of the undead through time.

The most frightening movie ever made is now a novel. Newsweek calls Night of the Living Dead a true horror classic. Why does Night of the Living Dead hit with such chilling impact? Is it because everyday people in a commonplace house are suddenly the victims of a monstrous invasion or is it because the ghoul who surrounds the house with grasping claws were once ordinary people too? Decide for yourself as you read and the horror grips you. All the cannibalism, suspense, and frenzy of the smash hit are here in the novel. This is the original novel by John Russo based on the screenplay by John Russo and George A. Romero. Based on the famous film, this comedy musical is both scary and fun. Some settings and props are depicted with drawings or other artwork. The Walking Dead depicts a postapocalyptic world filled with relentless violence and death. How would such trauma affect the psyche? The Walking Dead Psychology helps fans better grasp this compelling fictional universe. Featuring 30 chilling stories of real-life zombie encounters, this comprehensive and unsettling study draws upon traditions found throughout the world to dispel common depictions of zombies as lurching flesh-eating automatons made popular by countless movies and books. This fascinating collection includes the stories of the Devil Baby of Bourbon Street, a monstrous creature complete with horns and tail that still lurks in the shadows of the Big Easy; Black Mama Courteaux and the Great Zombie War involving hundreds of zombie soldiers battling for the supremacy of their queen and the swamp child of Mama Cree who still roams the bayous of Louisiana, in addition to the stories of zombie-related facts explored, including ceremonies and initiations, zombie throughout history, sacred zombie and voodoo-related sites, and zombies and monsters of the Bible. The closest Alex Harley has ever been to a zombie is on his game console trapped in a dead-end job and spending his weekends gaming. Alex is coasting through life at his own pace, but one fateful weekend he agrees to go hiking with his pal Mike. Mike’s girlfriend Elena is bringing her friend Lucy along, and that is good enough reason for Alex to endure gruelling hikes along a mountain range in Wales. The day the four friends hit the mountains, the outbreak begins. Day Z has arrived. Alex’s radio receives mysterious reports of savage attacks in London before switching to the emergency broadcast system. The dead are rising, and the living must fight for survival. night of the living dead tm live is a fun and hilarious re imagining of george a romero s legendary classic set in 1968 and presented in all black and white it literally feels like the film has been brought to life and placed onstage the play lovingly examines the movie itself the period in which it was made and the film s undying influence on the horror genre more than just a re creation of the story the play celebrates the history and influence of the movie through a series of multiple endings the characters are all faced with different issues and challenges while desperately trying to survive the night however their contrasting personalities and agendas always seem to prevent the group from working together which leaves us all wondering could anyone survive a night of the living dead
