1995 censorship pervades all aspects of political social and cultural life in the Islamic republic of Iran. Faced with strict state control of cultural output, Iranian authors and writers have had to adapt their work to avoid falling foul of the censors. In this pioneering study, Alireza Abiz offers an in-depth interdisciplinary analysis of how censorship and the political order of Iran have influenced contemporary Persian literature both in terms of content and tone as censorship is unrecorded and not officially acknowledged in Iran. The author has examined newspaper records and conducted first-hand interviews with Iranian poets and writers looking into the ways in which poets and writers attempt to subvert the codes of censorship by using symbolism and figurative language to hide their more controversial messages. A groundbreaking analysis, this book will be vital reading for anyone interested in contemporary cultural politics and literature in Iran.

2004-09-08 Seeking to explain the background to Iran’s almost continuous adherence to one-party rule, Homa Katouzian offers a theoretical framework for the study of the country’s history. His approach provides insights into the present situation in the country.
