child of the 1890s could resist these offerings of the montgomery ward catalogue the one book that
was read avidly year after year by millions of americans on farms and in small towns across the
nation the montgomery ward catalogue provides one of the few irrefutably accurate pictures of what
life was really like in the gay nineties for it described and illustrated almost anything that anybody
could possibly need or want in the way of store bought goods in fact in that pre department store era
it was usually the only source for such goods imagine if montgomery ward had issued an illustrated
catalogue in the days of louis xiv or elizabeth i or charlemagne what insights would we have into the
daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what
sources of information for historians and scholars collectors and dealers what models for artists and
designers in 1895 montgomery ward was the oldest largest and most representative mail order
house in the country the brainchild of a former traveling salesman it issued its first catalogue in 1872
a one page listing of items by 1895 the catalogue reprinted here had grown to 624 pages and listed
some 25 000 items almost all of them illustrated with live drawings montgomery ward was by then a
multi million dollar business that profoundly affected the american economy and since it reached the
most isolated farms and backwoods cabins its effect on american culture was almost as great now
once again available it is our truest most unbiased record of the spirit of the 1890s an introduction
on the history of the montgomery ward company and its catalogue has been prepared especially for
this edition by boris emmet ph d johns hopkins a foremost expert on retail merchandising his
monumental work catalogues and counters has long been recognized as a landmark in the study of
american economic history
