**The Christmas Legend of Monkey Joe** 1978 The purana is one of the two most important and popular Hindu texts, the other being the Ramayana. It is part of the popular tradition rather than a literary classic like the Upanishads or the Gita. It tells the story of the god Krishna, the supreme godhead of the Hindus and worshipped by them for over two and a half millennia. The most popular stories about him occur in this the 10th book which is the climax of the epic. The stories relate to Krishna's childhood and adolescence in the forests of Vrindavan among the herdsmen. Delightful tales which lie behind much of Hindu art appearing in painting, temple sculpture, drama, dance, and song.

**Index to Fairy Tales, Myths, and Legends** 1926 This book has many intentions but as for an overall synopsis and what to look forward to is an in-depth analysis based on experience. Experiences based on sci-fi dreams, ESP, broadcasting as a collective conscious. The broadcasting of thought parallel universes alternate realities stolen identity, reincarnation, and time travel all intertwined within an autobiography.

**From Red Hot to Monkey's Eyebrow** 2014-04-23 Volume 2 of 9 These books are the first to fully map out the history of alien interaction with the earth past and into the future, extending the work of noted researchers such as Erich von Daniken and Zecharia Sitchin. The book series' goal is to show its readers the extensive repercussions this interaction has had on life on this planet especially its formative role in the global conspiracy known as the New World Order.

**Staying Scared - The Films of a Horror Movie Legend** 2023-12-20 From the household cat to horses that can fly, a surprisingly wide range of animals feature in religions and mythologies all across the world. The same animal can take on different roles; the raven can be a symbol of evil, a harbinger of death, a wise messenger or a shape-changing trickster in Norse mythology. Odin's magical ravens perch on his shoulders and bring him news. This compendium draws upon religious texts and myths to explore the ways sacred traditions use animal images, themes, and associations in rituals, ceremonies, texts, myths, literature, and folklore across the world. Sections are organized by the main animal classifications such as mammals, birds, reptiles, fish, amphibians, and insects. Each chapter covers one significant group, such as dogs, cats, or horses, first describing an animal scientifically, and then detailing the mythological attributes. Numerous examples cite texts or myths. A final section covers animal hybrids, animal monsters, and mythical animals such as stars, constellations, and the zodiac. An appendix describes basic details of the religions and mythologies covered. A glossary defines uncommon religious terms and explains scientific animal names.

**Legend of Sword in Nine Heavens** 2020-05-20 The gripping story of Afro Argentine celebrity Raul Grigera that also tells the untold history of black Argentina.
