information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better from boats and baits to rods and reels to tips and tactics bass fishing has been a magnet of innovation for almost a century bass fishing changed from pastime to business in part because of competitive tournaments and the publicity they generated that publicity in turn sparked a demand for more and more information from the tournament fishermen themselves how they caught bass so in essence the sport fed upon itself author steve price has interviewed dozens of anglers over the past few years and he fits each of their stories into a complicated puzzle that forms a comprehensive tale of competitive record holders and fishing industry insiders alike the fish that changed america is not simply about tournament bass fishing although some of the stories included here do involve competitive anglers rather price has tried to embrace a wider view of the entire sport and to show how different facets of bass fishing meshed so perfectly at the same time leading to the state of the industry today the participants those who laid the foundation for what all bass anglers today enjoy tell their own stories of what happened during those not so long ago years many of the stories such as the standing room only funeral for a famous largemouth bass touch on far ranging topics that all anglers will enjoy skyhorse publishing is proud to publish a broad range of books for fishermen our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home field fishermen don't rely on luck in order to catch fish; they put their skills, knowledge, and experience into play every time they cast their line. Likewise, righteous and godly living doesn't come naturally but requires study, commitment, and a lot of practice in catch of the day. Jimmy Houston combines his love of fishing and his love of God in this unique fisherman's 365-day devotional. Each day features a meaningful scripture, a daily devotional that incorporates a thought for meditation which applies insights from the art of fishing to daily spiritual growth. A fishing tip from Bassmaster Jimmy Houston with colorful interiors and a ribbon marker. Catch of the Day is a great gift for birthdays, Father's Day, and Christmas.
