Basic News Writing 1983 jargon buster convergent journalism media convergence is the most significant development in the news industry in the last century the ability to interchange text audio and visual communication over the internet has fundamentally transformed the way news organizations operate convergence has enabled media companies to gather disseminate and share information over a variety of platforms throughout the history of journalism it has been common for
journalists to study one medium such as traditional print or broadcast and to anticipate a career working only in their chosen field however the 21st century
journalist has fluidity to write and deliver news content in a variety of formats source convergencejournalism com broadcast news writing reporting and producing
presents a solid foundation for any student learning how to become a broadcast journalist in today s world of convergent journalism it is more important than ever
that broadcast textbooks cover the most current trends in media convergent journalism the coverage of news across multiple delivery platforms such as the internet
television podcasts ipods blogs etc is here to stay broadcast journalism continues to morph as newer and more advanced content platforms are hatched and
developed and broadcast journalists must understand how to write report and produce for multiple platforms simultaneously just one crucial fact remains students
will need training on how to perform successfully in a world in which current events aren t just shown on the ten o clock evening news broadcast news writing
reporting and producing will be completely overhauled to reflect the trends of convergent journalism on every page new co author frank barnas brings a multi
faceted perspective of writing reporting and producing that allows for multi platform delivery systems and shows students with real world examples the functions
and practices of today s media the new edition will be rewritten and restructured to accommodate common 16 week course modules and will be divided into four
major sections of the news gathering writing reporting and producing sidebars featuring how examples used in the text relate to convergence in journalism help
students to draw connections easily between current stories and trends in the industry the comprehensive approach of this text brings a multi faceted perspective
of writing reporting and producing that is needed more than ever in today s world of convergent journalism this newest edition is being completely overhauled by
the experienced journalist frank barnas new photos and illustrations a restructuring of the text expanded end of chapter exercises newer and more relevant
elements and more information on producing all contribute to giving readers what they need most a nuanced understanding of how the media of today function in a
world without news boundaries
News Writing and Reporting for Today s Media 2008 this text uses a multitude of reporting and writing examples from print broadcast and online sources in order
to deconstruct and reveal journalistic practices techniques and philosophy to today s students building on a solid foundation of the three pillars of excellent
journalism process coaching and storytelling chip scanlan and richard craig shape students into successful journalists by providing them with the theoretical
background and practical knowledge needed to transition into a new age of reporting
News Talk 2010-02-11 this book is about writing and storytelling the authors provide plenty of fresh insights helpful filled with current examples and tips from
pulitzer prize winning professionals writing and reporting it offers practical and real guidance to readers truly interested in a future in journalism it is very useful
book
News Writing 2013-12-20 the linguistics of newswriting focuses on text production in journalistic media as both a socially relevant field of language use and as a
strategic field of applied linguistics the book discusses and paves the way for scientific projects in the emerg ing field of linguistics of newswriting from empirical
micro and theoretical macro perspectives strategies and practices of research development and knowledge transformation are discussed thus the book is addressed
to researchers teachers and coaches interested in the linguistics of professional writing in general and news writing in particular together with the training
materials provided on the internet news writing net the book will also be useful to anyone who wants to become a more discerning consumer perry 2005 or a more
reflective producer of language in the media
Dynamics of News Reporting and Writing 2018-01-02 kershner s the elements of news writing 3 e is a concise handbook that presents the essential rules of
journalism while offering in depth analysis of the evolving industry with comprehensive coverage from history to how to and discussions of new media online
journalism blogging and social networking this text covers news writing from a 360 degree view the elements of news writing covers the basics of news writing
without the extra verbiage that bogs down many textbooks the author pays extra attention to grammar and usage with easy to follow basic tips on writing for all
types of mass media new and old
Media Writing 1985 broadcast news writing and reporting second edition thoroughly introduces students to the basic techniques and approaches used in broadcast
newswriting and reporting to broadcast journalists responsibilities and to the legal and ethical issues related to the field the text s comprehensive scope gives students a clear understanding of the reality of working as broadcast journalists
