God's Mess 2023-03-30 god has the right to design and perform his own miracles who are we to tell him what they should be when kimberly boone s mother was diagnosed with stage 4 breast cancer kimberly believed that she had received an assignment from god to speak life regardless of how dire the situation appeared no matter what the doctors said she was to declare god s healing power and remain steadfast in her belief that vernita boone would be saved in the next months as kimberly watched her mother s health gradually decline her faith was rewarded by abundant evidence of god s grace she not only discovered her assignment for this journey but she came to know her once distant father and she began to understand how both the pleasant and the difficult people are placed into one s life strategically through many experiences with the people who surrounded her kimberly began to see this entire tapestry as part of god s broader purpose if it were a snake offers hope to those of us who occasionally lose sight of god in the face of day to day struggle through accounts of her mother s diagnosis illness and passage kimberly helps us open our eyes to the divine mercies that have been in front of us all along

If It Were a Snake 2014-05-13 the hebrew christian religion remains the most potent verifiably truthful religion on the planet it suffers horrendously from murderous oppression in the middle east its homeland and was crushed flat by the largest political state the world has ever known soviet russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout europe despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains and more than this it remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet its not by accident that non violent christianity believing in the non violent ten commandments and the beautiful spirit of them in the beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant true christians know the only reason it is so is because the holy messiah god of israel is the only true god he rules over all the kingdoms of men but its only the kingdom of christianity which knows this he loves all humans but not their thoughtsactions however only christians recognise this and sincerely give thanks that he is their god their prophet priest and king he prophesied that enormous ungodliness would come against his church and followers but these gates of hell would not overcome it and so it is now as we head towards armageddon and the end of the human age this book explains his prophecies and associated key milestone calculations this is one of many ways witnessing that he is the genuine unique article just as the hebrew christian bible says the purpose of our existence is to have a loving relationship with him when humans choose to reject him it causes us to create corrupt and false gods without realising it many religious people worship corrupt gods and atheism worships its false no god god these cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death this grieves the messiah god of israel because he loves fruitful life to encourage us and to verify who he is he leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement lawrence d shawbrooks is now retired but continues to work as an elder in the church oversight

I Am 2017-01-24 my book entitled polygamy if god wills it should not be a form
of slavery then is written to warn people of how they shouldn t let anyone take
advantage of them if they should decide to do polygamy and if polygamy is
thought to be the solution to the problems of female loneliness the book of 1
corinthians 14 1 king james version kjv says follow after charity and desire
spiritual gifts but rather that ye may prophesy i hereby state that only if any
prophet or prophetess either advise you or says god has sent them to you to
suggest you to do so should you do polygamy so then with the support of your
family if you have one consider it prayerfully don t listen to your friends or
ordinary church goers if they suggest this be warned if care is not taken
polygamy can enslave you as a vulnerable person in the hands of the man and his
important wife even when done with a close relative this is especially when
polygamy is done with a female stranger who can also be described as a strange
woman who inevitably makes that woman who is a stranger her and her husband
strange people strangers could be so called best friends in laws and anyone that
s not a close relative you think you know these people but you don t really know
them they always put on an act around you but it s all for show because the
heart of man is desperately wicked who can know it except when god reveals it to
you when the devil wants to bind you with spiritual chains like a slave in a
polygamous home when you don t wish to do polygamy you go into prayers to your
maker god or jesus christ to set you free from the bondage that wants to tempt
you to be enslaved to a polygamous home bind instead the negative people or
forces that want to cause you problems in life with your prayers

Polygamy If God Wills It, It Should Not Be a Form of Slavery Then! 2017-05-18
